BUY A LEAF FOR OUR FAMILY TREE APPEAL
AND HELP US HELP MORE OF
EDINBURGH'S SENIORS.

Many older people, particularly those suffering from dementia or mobility problems, feel cut-off and alone. For 75 years, the organisation LifeCare has transformed their lives, providing subsidised day clubs and services to help those still living at home.

To celebrate our landmark 75th birthday, artist Charlotte Duffy has created the LifeCare Family Tree. It's a fitting tribute to the work we do; bringing older and young people together into one beautiful, blossoming family tree. And you can be part of it, by buying a leaf.

By doing so, you can ensure that LifeCare will be here to empower and enrich many more lives for many more years to come. The donations we receive will help to provide the best possible day clubs, Outreach and Help at Home services in the city.

Buy a leaf to support a loved one

Perhaps you have a mum, or a dad, or a grandparent who attends one of our day clubs or benefits from one of our many services. Why not dedicate a leaf on our family tree to them? You can inscribe a special, personal message just for them. What's more, by making a donation to LifeCare, you'll help us help someone else's mum, dad or grandparent too.

Buy a leaf in memory of a loved one

Dedicate a leaf in memory of a loved one. You can write their name and a special message to them. You'll keep their memory alive and help LifeCare's good work flourish.

Buy a leaf to say thanks

If you enjoy attending a LifeCare day club, love getting out and about again with our Outreach service, or appreciate the assistance you receive from our Help at Home team, why not show your support?

Or if there's someone extra special you want to thank, you could dedicate your leaf to a LifeCare staff member or to your favourite fellow club friend.

Buy a leaf to show you care

Maybe you just popped into LifeCare for a cuppa in our café. Or to attend one of the many classes we host here. Maybe you had no idea about all the great, charitable work that goes on at LifeCare. But now that you do, please, help us do even more. Buy a leaf and help our good work grow.

How it works

Each commemorative leaf will be 12cm in height by 11cm wide. This allows up to 48 characters for your message.

You can visit LifeCare, buy a leaf and add the message to our tree in person. You might want to make a day of it and visit our café afterwards.

Or you can simply complete the form and send it in with your payment to us, and our Development Team will deal with your request, and put your name and message on the leaf and hang it on the tree for you.

Your donation certificate

In recognition of your donation you will also receive a certificate. This will be an acknowledgement of your support.
